Amateurs de "flagrants délires", "Les Gendarmes" de Jenfèvre, Sulpice & Cazenove ont investi votre ville et vous n'avez aucune chance de leur échapper !

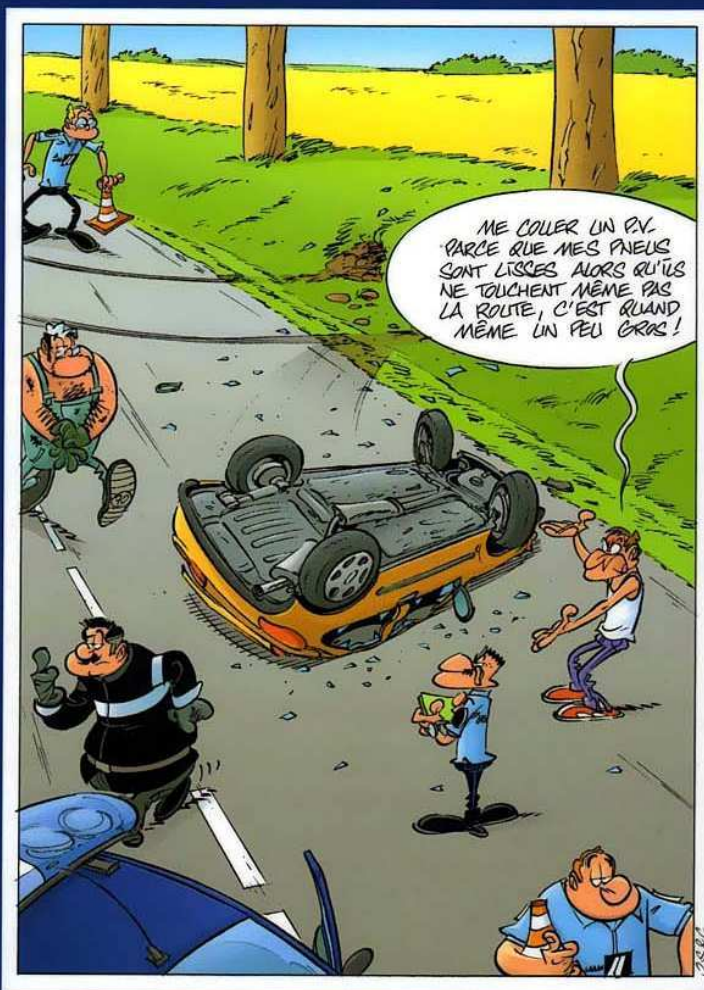

Plus délirants que ceux de Saint-Tropez, plus efficaces que le GIGN, les petits derniers de Bamboo Édition vont vous en faire voir de toutes les couleurs !

Qu'ils soient maîtres-chiens, motards, maritimes ou de haute montagne... aucun gendarme n'est épargné par l'avalanche de gags - inspirés de faits réels ou tout droit sortis de l'imagination débordante des auteurs - qui débarque au fil des 44 pages de l'album.

Ceux qui ont parfois tendance à nous faire trembler vont cette fois nous faire mourir de rire. Alors profitons-en !

Quant aux gendarmes eux-mêmes, ils ne devraient pas être insensibles à l'humour décapant - mais toujours bon esprit - de Jenfèvre, Sulpice & Cazenove.

Rangez vos radars et vos alcotests, "Les Gendarmes" de Jenfèvre, Sulpice & Cazenove sont arrivés... et rien ne pourra les arrêter !
